Erode, India

ABOUT

Enthusiastic Information Technology student passionate about web development, software design, and data-driven problem solving. Strong foundation in Java, databases, and full-stack development with a focus on building efficient and user-friendly applications. Keen on contributing to innovative projects that create real-world impact.

EDUCATION

Sri Shakthi Institute of Engineering and Technology   Coimbatore, India
B.Tech in Information Technology — CGPA: 8.52

                                                                                                                2023 – 2027

GHSS, Kadathur
12th Grade – 83%
10th Grade – All Pass

PROJECTS

Blood Bank Management System / *HTML, CSS, JavaScript, PHP, SQL*   2024
– Developed a web platform to record donor details and track collected blood units efficiently.
– Implemented blood-type monitoring and storage tracking features for hospitals.
– Automated donor registration and request processes to reduce manual work
.

Disaster Management System / *HTML, CSS, JavaScript, PHP, SQL*   2024
– Built a platform to coordinate disaster relief operations and manage rescue resources.
– Enabled real-time reporting of affected areas and automatic alert generation for emergency teams.
– Integrated database management for efficient tracking of volunteers, victims, and supplies.

Image Steganography / *Java*   2025
– Designed an application to hide secret messages inside images without visible change.
– Used binary encoding to embed confidential text into image pixels securely.
– Built a decoder to retrieve and reconstruct hidden text from steganographic images.

COURSEWORK

Data Structures and Algorithms

Operating Systems

Database Management Systems

Object-Oriented Programming

Web Development

TECHNICAL SKILLS

Languages: Java, C, HTML, CSS, JavaScript, SQL, NoSQL
Developer Tools: VS Code, XAMPP, Figma
Technologies/Frameworks: Git, MongoDB

EXTRACURRICULAR

Chess Player   2017 – Present
Participated in inter-school and local chess tournaments; enhanced strategic thinking and focus.
